19	NMP4-LA-2009-228827 within PC7 Seventh Framework Programme Grant Agreement No. 228827	NANOFOL Project NMP4-LA-2009-228827 within PC7 Seventh Framework Programme Grant Agreement No. 228827	15/11/2010-30/11/2013	1820648 RON	Studies Documentation Specialist
20	POSDRU/41/3.3/G/3 3956 2007-2013	Priority 3: Strengthening institutional capacity of the Western Regional Consortium	2007 - 2013		Specialist

- **Bilateral Scientific Cooperation Romania – Flanders – 2005-2007 – Optimization of enzymatic technologies in ultrasounds for applications in the cottonisation of linen.** The Project worth 56,000 Euros in partnership with Ghent University, Belgium, came to an end in February 2007 with results which engendered the participation of Romania in a PC 7 project with a 33% share in a European consortium of 20 partners (Netherlands, France, Belgium, Italy, Germany, Lithuania) and in which Aurel Vlaicu University of Arad is one of the three academic partners to coordinate this project.
 - **Bilateral Scientific Cooperation between Flanders and the Central-Eastern European Countries – 2005-2007 – Quality Management in Textiles** in partnership with Ghent University, Belgium – completed in February 2007 and created a partnership with the economic sector that substantially contributed to the development of national excellence projects in 2006.
 - **Coordination of a NATO Reintegration Grant – Textile Biotechnologies applied in Strategic Raw Materials in Europe**, worth €25,000, 2005-2007. The project contributed to the development of the material endowments of the university and the formation of a specialist team in the field of *Applied Biotechnologies in Textiles for Bast Fibres*.
- Coordination of three CEEEX excellence grants, module III and module I, as follows:**
- **CEEEX Excellence project Module III - Scientific partnership in the field of textile nanosciences and nanotechnologies** in partnership with Iasi University and the Institute for Textile Research in Bucharest, worth 2 bil. Lei, 2006-2007, aiming at developing a national network in the field of textiles in partnership with the economic sector, preparing the grounds for the participation of our country in various European research programmes and projects within the framework of PC 7. As a result of this project, the first FAO Escorena World Congress is to be held in Romania at Aurel Vlaicu University of Arad.
 - **CEEEX Excellence project Module I – Applied New Technologies in Liberian Fibres Materials Using Chemical and Enzymatic Processes in order to Obtain Performant Materials – TENZINUS**, 2006-2008, worth 1,685,300 RON in a partnership structure involving 6 partners. The project will be completed with the technological transfer towards the economic sector with a new and competitive technology on a European level.
 - **CEEEX Excellence project Module III - Regional Network for Excellence in micro-nano-bio technologies and textile materials for medical applications** – worth 45,000 RON, 2006-2008, in partnership with Iasi University. Within this project a network in the above-mentioned field will be developed, a network able to forward projects in the framework of PC 7.

- **Co-director of an IMPACT project – Structural Funds – *The Development of the R&D infrastructure of a multidisciplinary trial laboratory for European Conformity within “Aurel Vlaicu” University of Arad – CEINCERC, 2006-2010, worth €1,439,000;***
- **Organization or a workshop in February 2006 - *The Romanian-Flemish Co-Operation in textiles and clothing in view of the future Romanian membership of the EU AAD 17-18 February 2006.*** Representatives of the ministries of integration, industry, economy and commerce, of the Belgium Embassy in Bucharest, of the Belgian Textile Federation, of Ghent University, of the Romanian academic and economic sector attended this manifestation;
- **Organization of a seminar on 17 May 2006, at AVU - *Biotechnologies applied for bast fibres*** – held by Prof.Eng. Rudyard Koslowsky, PhD. from Poland;
- **Establishing external partnerships** with Netherlands and Poland and continuing the partnership with Ghent University by organising various activities such as workshops, working meetings in Romania, Belgium and Poland as well as preparing and signing cooperation agreements between AVU and these partners;
- **Involved in the organization of the FAO Escoren Congress** held at AVU in October 2007;
- **Active implication in forwarding a European PC 7 Project proposal** consisting of the development of a 20 partners’ structure, respectively managing a consortium of 5 Romanian partners in a 20 partners European consortium;
- **Managing a grant – *Activities Workshop in the field of Applied Socio-Humanistic Sciences for the diminution and defendance against violence, exclusivist and xenophobic manifestations among young adults and adolescents, 2007, Research Focus: New DOOM rules (second edition);***
- **Grant manager - *Ştefan Augustin Doinaş – between oblivion and restitution. Literary-cultural and folk music Workshop.*** Research Focus: Linguistic Contributions. Cultural Centre of Arad County, 2007.

Research Focus for Doctoral Studies:

- Phonology
- Lexicology
- Morphology
- Syntax (Current Trends in Contemporary Romanian Language Syntax)
- The Study of the Contemporary Romanian Language from a Contrastive Perspective (by means of comparing Romanian and other languages)
- Corectness in Speaking and Writing
